#WomenPowerSEWA

As you all may know, International Women's Day is celebrated globally on March 8th every year to honor women's achievements and call for gender equality. This year, the theme for International Women's Day 2023 is "DigitALL: Innovation and technology for gender equality". It highlights the significance of digital technologies in empowering women and girls in various sectors and domains. We encourage all our women employees to celebrate this day with great enthusiasm and take pride in their achievements.

We want to remind you that the progress we have made so far is a result of our collective efforts, and it is essential that we continue to stand up together for SBI SEWA. We are proud to have a dedicated team of women who have made significant contributions to the growth of our organization.

At SBI SEWA, we are committed to creating a work environment that is inclusive and supportive of women. We believe that empowering women is not only the right thing to do, but it also makes good business sense. Women make up a significant part of our workforce, and we recognize the value they bring to our organization.

#EqualityforAll #CollectiveActivism

Equality is the goal we all aspire to achieve, and equity is the means to get there. It is imperative that we actively support and embrace equity within our own sphere of influence. We can all challenge gender stereotypes, call out discrimination, draw attention to bias, and seek out inclusion.

Collective activism is what drives change. It is through grassroots action and wide-scale momentum that we can truly embrace equity. As a team, we need to work together towards a common goal of creating a workplace where everyone feels valued and respected regardless of their gender, race, religion, sexual orientation, or any other defining factor.

#WeeklyFitnessChallenge @ SEWA

On this day, we also want to remind you that we will continue to support and reward those who have made a commitment to their personal and professional growth. As we announced earlier, we will be rewarding the winner of the #WomenPowerSEWA fitness challenge, we are delighted to announce the winners of our first "Daily Steps Weekly Challenge" as part of our three-month fitness challenge. Congratulations to Ms. Balwinder Kaur, Senior Associate at GT Road Gurdaspur Branch, for securing the first place and winning the Rs. 1000 gift voucher.

We would also like to extend our congratulations to Ms. Ivani Katal, Deputy Manager at RBO 5, Jammu, and Ms. Anjana, Associate at Spl. PBB, Sector 14 Branch, for securing the second and third positions, respectively, and winning the Rs. 500 gift vouchers. I urge all of you to participate in such initiatives, as they not only promote wellness but also encourage team-building and camaraderie.
