RBI FOUNDATION DAY AND DR. B.R. AMBEDKAR'S CONTRIBUTIONS

Dear Members,

On the occasion of the Reserve Bank of India's (RBI) Foundation Day on 1st April, we would like to bring attention to the invaluable contributions of Bharat Ratna Dr. Bhimrao Ambedkar, the father of modern India and the architect of our constitution. Dr. Ambedkar's vision and ideas have significantly influenced the country's economic and financial landscape.

The RBI was conceptualized following the guidelines, working style, and outlook presented by Dr. Ambedkar in his book, "The Problem of the Rupee - Its Origin and Its Solution." His work was presented to the Hilton Young Commission, and the RBI was established based on the recommendations of the 1926 Royal Commission on Indian Currency and Finance, also known as the Hilton-Young Commission.

Dr. Ambedkar's tireless efforts were pivotal in the establishment of the Reserve Bank of India. Today, we pay our heartfelt tributes to this Master of Economics and champion of Human Rights, whose vision has shaped modern India.

As members of the SBI SC ST Employees Welfare Association (SEWA), it is crucial for us to honor the legacy of Dr. Ambedkar and his commitment to creating an inclusive and economically vibrant India. To celebrate this occasion, we encourage all members to participate in the following activities:

1. Share information about Dr. B.R. Ambedkar's economic ideas and their relevance today with your colleagues and friends.
2. Organize discussions and seminars within your circles to delve deeper into the significance of the RBI Foundation Day and its connection to Dr. Ambedkar's legacy.
3. Participate in initiatives and programs by SBI SEWA aimed at promoting financial inclusion and social equity in line with Dr. Ambedkar's principles.
4. Share stories of empowerment and success inspired by Dr. Ambedkar's vision within your circles and on our association's online platforms.

We invite all members to join us in celebrating the tremendous contributions of Dr. B.R. Ambedkar to our nation's development. Engage in the various activities and initiatives organized by SBI SEWA to promote financial literacy, economic empowerment, and social justice.

As the General Secretary of SBI SEWA, I am proud of our association's commitment to advancing Dr. Ambedkar's ideals and fostering an inclusive and prosperous society. Let us continue to work together to uphold his vision and create a brighter future for all.

Comradely Yours,

(Parmod Indal)
General secretary
